MISSOULA--

Dr. Louis D. Hayes, an assistant professor of political science at the University of Montana, has received a Fulbright Senior Fellowship to do research and consultation in Nepal for the 1970-71 academic year.

Last month Dr. Hayes received a \$17,000 grant to advise Tribhuvan University, Kathmandu, Nepal, during the development of a training program for public administration employees and civil servants. He will also do research in areas of forestry, including forest management.

Dr. Hayes and his family plan to leave in mid-August and return to UM next July. He is married to the former Carol Elmhurst of Chicago. They have two children, Douglas, 7, and Kristin, 5.
